THIS MATTER is before the court on defendant's Motion for a Juror Questionnaire. Defendant seeks publication of a 26-page questionnaire to the jury venire, which is likely to be longer as blanks have been inserted for lists of witnesses and attorneys. The court does not find the proposed questionnaire helpful as the undersigned will ask initial questions and counsel will have an opportunity to ask their own questions, subject to oversight by the court. Having considered defendant's motion and reviewed the pleadings, the court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's Motion for a Juror Questionnaire (#71) is DENIED.
